### Making Your Telephonic Appearance

1. **Review your confirmation** upon receipt and before your hearing for accuracy and additional procedures as specific instructions are provided within your confirmation.

2. Unless your confirmation instructs otherwise, you must **call the toll free number on your confirmation** at least 5 minutes before your scheduled hearing time. In most instances cellular and pay phones are prohibited when making the call as they may compromise the quality of the conference for ALL participants. Read the '**Mandatory Instructions For Making a CourtCall Appearance**' located on your Confirmation prior to making the call.

3. **If prompted, dial your Access Code\***; you will be advised whether you are joining the call in progress or if you are the first to call or you may be placed on "music-on-hold." Otherwise, if your CourtCall Confirmation does not list an access code with your assigned teleconference number, the check-in will be conducted by a teleconference specialist who will conduct the conference in accordance with the Court's instructions. The rules regarding cell phones and use of handsets apply to access code and operator-assisted calls.

\* Access Code Calls: If you are the first person on the call be patient, even if you experience silence or are placed on "music-on-hold," as the Clerk will join the call in due course. As others join you may hear a mild "beep-beep" indicating that others are on the line. Until your case is called, refrain from speaking other than with the Clerk.

4. **After check-in wait until your case is called.** Use your speakerphone while waiting only if you are able to mute the microphone to eliminate ambient noise. You must use the handset when speaking with the Court. Identify yourself each time you speak and conduct yourself as you would if you were in the Courtroom.

5. **If the Court does not join the call within 15 minutes** after your scheduled hearing time, have a staff member call CourtCall on our toll-free Help Line at (888) 882-6878 and we will be happy to assist you. Do not leave the conference line or place the conference line on hold.

6. **If Court has commenced, DO NOT INTERRUPT.** You will have an opportunity to speak. If the call is in progress and you hear voices, wait until an opportunity to speak arises without interrupting others. The Clerk may be performing a check-in and will get to you.

7. **Once your matter is concluded**, disconnect from the line. If your hearing is canceled or continued you must notify us, prior to the time of your hearing to have your fee apply to the continued hearing date or to be eligible for a refund. Matters continued at the time of the hearing require a new fee and confirmation for the new appearance date.
